Our season began with Santa Maria. We stumbled and fumbled our way to a 13-9 victory, made possible by a tough defense. Our next game was with Edison. Although we had beaten them the last 3 meetings the game proved to be a learning experience. Edison ran up and down the field at will and won, going away 27-11. The following week our opponent was #1 ranked Long Beach Poly. We soon found out why they were selected California's per-season #1 team. The hitting was tremendous and Poly played brilliantly, as they went on to win 19-10. Our next game with Kennedy proved to be a momentum builder. Earl Saunders moved from defense to play tailback in the I formation. Danny Gunderson, Ed Lalau, and Mike Padilla were new additions to our offense. The result was a 49-6 rout by the Pilots.

## LEGELE GETION

Our league season began with arch rival Carson. The "new team" played hard, but we were not able to overcome the Colts, who played very well and made the fewest mistakes. This resulted in a 6-0 defeat for the Pilots. After the game our players knew that if they could continue to improve we would have high hopes of getting into the playoffs. Successive victories over league rivals Fremont, Dorsey, Crenshaw, and Gardena provided the spark needed to ignite the Pilots toward the City Championship.

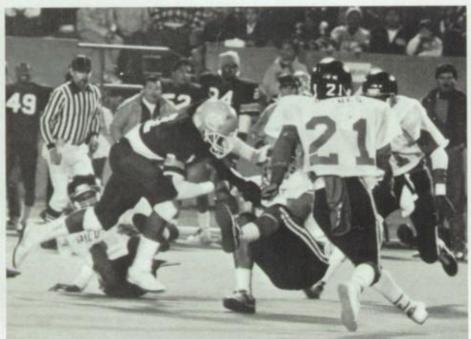

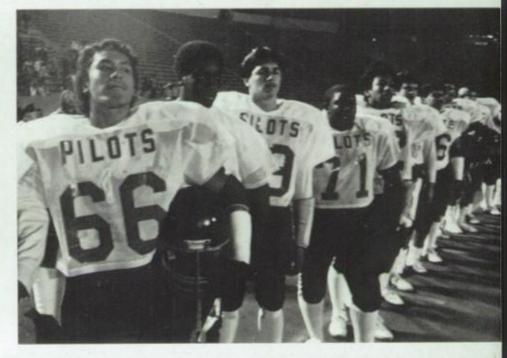

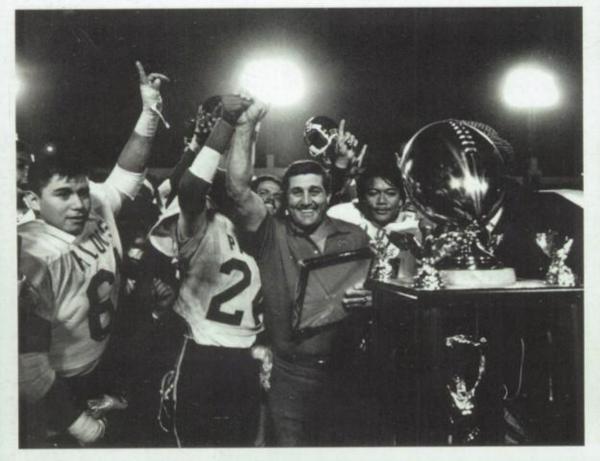

## Dagsory Footsall

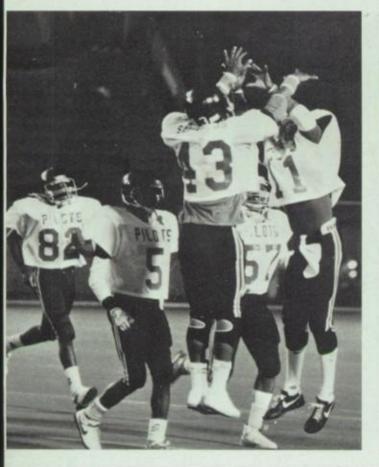

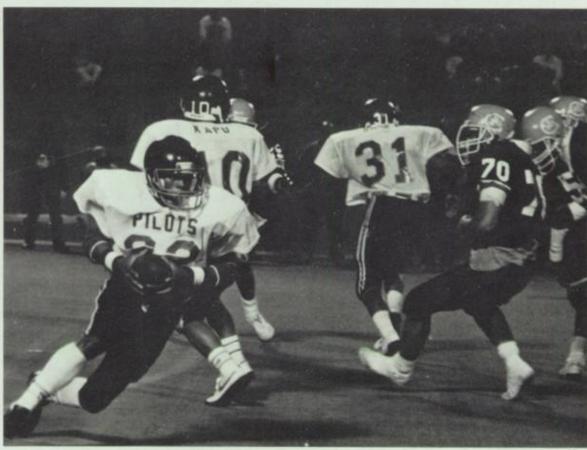

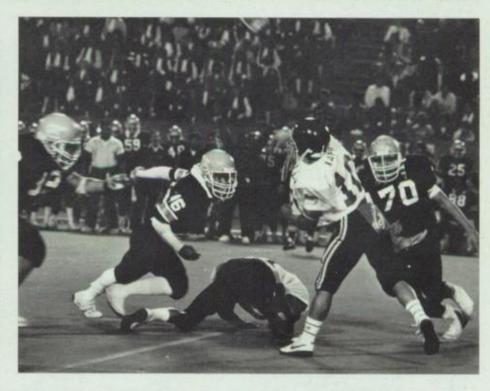

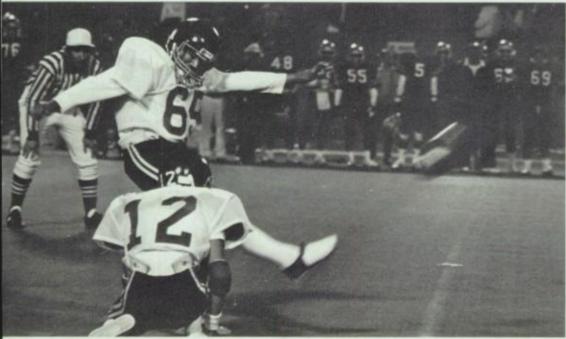

In the playoff games against Kennedy and San Fernando the Pilots gained confidence on offense while the defense remained tough and dominating. The Championship game against Carson was a real challenge. The Pilots, who had been a ground oriented team, took to the air immediately and caught the Colts off guard, scoring 2 touchdowns to lead 14-0. By halftime the Pilots had taken a 21-6 commanding lead. Never looking back, the Pilots routed the favored Colts 31-6 before 17,000 fans at East Los Angeles Jr. College. The Pilots with the victory, added another City Championship to their collection, which now totals 8 out of the last 10 years.

### BEE FOOTBALL ACTION

The Banning "KILLER BEE" Pilots began work in early August with the determination of winning a Pacific League Championship. Through hard work and total team dedication, the league championship was won against Gardena High School in late November. Not only did the "KILLER BEE's" win the title, but also complete a perfect season. Nine straight wins against a tough pre-season and an even tougher league schedule assured the "KILLER BEE" Pilots the right to be called Champions of 1985. Banning High School can certainly be proud of the accomplishments that these young men have attained through hard work, team loyalty and total team dedication. Banning pride and tradition was exhibited not only on the field of play, but also in the classroom.

The Pilots played the toughest schedule of any high school team in the nation. They did not meet one team in preseason that was not rated in a top ten poll. Their string of losses included; Crenshaw the #1 rated team in the state, the eventual L.A. City AAAA Champions, and Mater Dei the #2 rated team in the U.S.A., the winner of the Southern Section C.I.F. 5A Championship. The vareity led by Co-Captains Marshall "Zap" Lineberger, David Lee, and Junior point guard Marvin Pollard became very competitive in league play. They finished the first round with 3-2 record. Four key players were declared academically ineligible for the second round. To add to their problems David Lee missed two games because of an injury. Inspite of this the players regrouped and defeated Locke with only eight players.

Luther Abrams was moved to point guard and performed admirably. They ended league play with a victory over Gardena to finish in 4th place with a 5-5 record. Marshall Lineberger was the most outstanding player on the team. He was the leading rebounder and averaged over 20 P.P.G. David Lee was the second leading scorer and rebounder and will long be remembered for his strong play as a 2 year starter on the Banning Varisty. #### GIRLS' BASKETBALL

## DAGEOTY ACTION

The Girls' Basketball Team finished in first place this year with a 10-0 league record. The Lady Pilots, ranked 3rd in the city, ended their season with a loss to Washington in the semi-final game at the Sports Arena. The Lady Pilots ended their season with an 18-5 overall record, the best record in the last seven years. The Lady Pilots were lead by Tracey Young, Sheree Corniel, Lisa Nance and Adella Head who all made 1st team all League. Robin Nelson also was a dominating factor during the season but was plagued with an injury that sidelined her for the Play-Offs. Robin made 2nd Team All-League along with Geannine Hobbs and Rani Reado. It was a great season for the "Lady Hoopsters" and the Seniors will be greatly missed. Their leadership should help the returning players to improve record, return to the Sports Arena and stop the "Kennedy Dynasty."
